SERVICE REQUEST

CONFIDENTIAL and PROPRIETARY.

NOTE: Please fill out this form and enclose it with each product returned to Cochran Undersea Technology for service. Enter RA number below and on the returned product package. All units being returned for service could be subject to a \$125.00 USD triage fee. If this is an International Shipment please be sure to pre-register your product with Customs. This will expedite the process when we return the product to you. Without this pre-registration you may be charged additional taxes/fees by Customs. Thank you.
